

Dear CWA Local 13301 Member,

We are pleased to announce that we have partnered with Aflac to provide our valued members access to supplemental benefits. We have arranged to have representatives available for our members, both on site and via telephone. These representatives will provide the information necessary so that you can make an informed decision as to which of these benefits, if any, meet the needs of you and your family.

- Aflac pays cash benefits directly to you, the insured (unless otherwise assigned), to help keep a medical crisis from becoming a financial crisis
- Participation is voluntary and should be based on the individual needs of each member and their family.
- **All plans provide guaranteed-issue coverage options during this initial open enrollment.**
