Good afternoon CWA Members,

This is to make you aware that Anthony Early has submitted his formal letter of resignation as Executive Vice President of CWA Local 13301; this is effective as of July 16, 2020. At his request, he will be removed from the CWA Shop Steward List as EVP and he has decided to no longer be an authorized Shop Steward. Please honor and respect his wishes and do not contact him for any union/steward concerns; please reach out to other authorized local leaders of our union. I'd like to thank Anthony for his service and work as our EVP. On behalf of CWA Local 13301, I wish him well and much success in his future endeavors.

In Unity,

Gwen Ivey

President, CWA 13301
